O R D E R

10.08.2017: It is informed that in spite of cost awarded by Tribunal, the amount has not been paid individually by the appellant but some amount has been paid from the coffer of the company. Ld. Counsel for the respondents rightly pointed out that the cost imposed by the final order is liable to be paid by the individual persons personally and not by the company. In the circumstances, as Tribunal's order has not been complied with in letter and spirit in spite of the order passed in the contempt proceedings, we are of the view that the appeal can be dismissed for non-compliance of the Order. We are also inclined to grant time to the respondents to file Contempt Petition before the Tribunal, if the order has not been complied with in letter and spirit.

Ld. Company Secretary appearing on behalf of the Appellant submits that the appellant will pay the amount individually and the amount if any given will be taken back and will be deposited in the Bank

account of the company within a week. On his request, the case is adjourned for ten days.

Post the matter on 25th August, 2017 for admission.
