**05.01.2018:** It is informed by the Counsel for the Respondent that Mr. Tejwant Singh is suffering from Heart Attack and has been admitted in hospital for treatment. But no such certificate from the hospital has been enclosed nor any prescription of any Medical Practitioner has been presented. In these circumstances, it is doubtful whether Mr. Tejwant Singh has suffered Heart Attack or not. Mr. Prabhjeet Singh, who is son of Mr. Tejwant Singh is said to be attending to his father, but as we have doubted the above statement in absence of any record, we also do not accept the ground as recorded above.

However, with a view to give an opportunity, on request of the learned counsel for the respondents the case is adjourned for **2<sup>nd</sup> February, 2018**, when Mr. Tejwant Singh and Mr. Prabhjeet Singh will appear in person, failing which the Appellate Tribunal may pass appropriate orders.
