01.11.2017- There is nothing on the record to suggest that the appellant, a member/shareholder of the company is entitled to have password of Bank Accounts etc. In absence of any such record, it cannot be held that non-supply of password amounts to oppression of the appellant or mismanagement on the Company.

Learned counsel for the appellant prays for and allowed two weeks' time to file additional affidavit enclosing the relevant documents/evidence to suggest that he is entitled for password of Bank Accounts etc.

Post the matter on 16th November, 2017.
