24.01.2018: Counsel for the appellant submits that he has filed compilation of documents in which the copy of Company petition 28/16 and copy of Miscellaneous Application 99/17 has been filed. The Compilation is not before us. Registry to check.

Registry informs that the compilation tendered has many defects. Counsel for appellant to remove the defects. In default suitable orders would be passed.

For the question of waiver it would be necessary for us to consider if the case is made out mainly in the Company Petition read with the Miscellaneous

Application. As the material documents have not been put up, the matter is adjourned. List this appeal for hearing on **8th February, 2018**.
