We have heard the counsel for some time in these matters to understand what is the dispute. We have seen the Impugned Order and the rectification application (Volume V page – 886) which is pending before NCLT. This Tribunal has already directed on 24<sup>th</sup> January, 2018 the NCLT that

pendency of these appeals will not come in the way of the Tribunal to rectify the mistake if there is an error in the Impugned Order. We are told that the rectification application was taken up for arguments and arguments remained part heard. We are told that the rectification application is listed on 8<sup>th</sup> June, 2018 for further arguments.

We feel it would be appropriate for NCLT to first decide the rectification application and it would not be appropriate that we take up these appeals before that application is decided by NCLT one way or the other as per law. As such we adjourn these appeals to a date after vacation.

We request the learned NCLT to expeditiously decide the rectification application which has been filed by the present Appellant in the NCLT.

The appeals are adjourned and are being listed on 4<sup>th</sup> July, 2018 for reporting outcome in the matter of rectification application.
